**RESPONSE TO EXAMINER'S AMENDMENT OF FEBRUARY 1, 2005**

Sir:

In response to the Examiner's Amendment of February 1, 2005, which is listed on page 2 of the Notice of Allowability that issued for the above-identified application on February 10, 2005, the attorney of record would like to make a clarification to the record.

On page 2, second paragraph, it states that authorization for the Examiner's amendment was given in a telephone interview with Mr. John Fleming. We would like to clarify that although Mr. Fleming was present for the telephone interview with the Examiner, Mr. Robert S. Katz, who is an attorney of record for this application, registration number 36,402, provided all authorization for the examiner's amendment in the presence of John Fleming during the telephonic Examiner interview.
